

PROCUREMENT NOTICE PROVISION OF REPAIR SERVICES FOR TANK NO. 68 **INVITATION TO BID**

Introduction

1. Paria Fuel Trading Company Limited (Paria) is a state-owned Company in the Fuel Logistics and Trading Business with access to strategic linkages and high-level market intelligence. Our significant infrastructure positions us to offer safe, responsible and efficient terminal operations which will facilitate the reliable importation, exportation and trading of petroleum products.
2. Paria hereby invites qualified firms to submit a tender for the repairs of Tank 68 according to API 653. This tank is one hundred and fifty feet (150') in diameter and fifty-six feet (56') in height, with an estimated total capacity of one hundred and fifty thousand barrels (150,000 BBLs). The scope of work includes extensive mechanical repairs and fabric maintenance as follows: Work Preparation and Close-Out, Tank Structural Repairs, Tank Internal Repairs, Tank External Repairs, System Piping and Valves, Tank Testing and Calibration, Coating and Liner Repairs, and Civil Repairs. The contractor shall provide technical expertise, supervision, manpower, equipment, consumables & offsite facilities required to perform tank repairs services.
3. The Invitation to Bid (ITB) will be issued to qualified and experienced providers of the works/services required, pre-qualified in the Procurement Depository maintained by the Office of Procurement Regulation (OPR) under the Line of Business (LOB) 72121507 – Tank construction and servicing. Proponents MUST apply in the highest value category supported by their past experience in the above LOB.

Limitation to Participation

1. In accordance with section 28 of the Public Procurement and Disposal of Public Property Act 2015 as amended, participation in these proceedings is limited to providers of the works/services described in items 2 & 3 above.

Minimum OPR Prequalification Requirements

Company Certificate of Incorporation, Notice of Directors, BIR, NIS and VAT Certificates (clearance documents will be required during bid process), STOW or HSE Management System, Insurance Certificates - Workmen's Compensation and Public Liability, minimum of 2 years' experience, Company Profile, References and relevant work experience, Audited Financial Statements for past two (2) years.

Invitation to Prequalify

- The deadline for submission of documents and application for pre-qualification in the Procurement Depository, in response to the Procurement Notice is Monday 30th September 2024 @ 3:00pm.
2. Proponents may request additional information/clarification by sending an email to contract_services_enquiries@paria-tt.com.

Tendering Submission

- The invitation to tender package is expected to be issued on 3rd October, 2024 to the suitably qualified and experienced firms in the required LOB.
2. Tenders must be completed and submitted in accordance with the instructions outlined in the tender documents.
 3. The award of contract will be in accordance with the pre-defined evaluation criteria and scoring system outlined in the bidding documents. The services to be provided will be governed by the terms and conditions outlined in the respective ITB.

Virtual and In-Person Site Visit

Mandatory in-person site visit to be confirmed during the bidding process.

Tender Closing Date and Time: Monday 4th November 2024 at 12:00 noon.

Proposals received in accordance with the instructions in the ITB Documents will be open publicly using the eboxTENDERS platform.

2. Paria does not bind itself to accept the lowest bidder.
3. Paria reserves the right to cancel the present notice in its entirety, without defraying any costs incurred by any firm in submitting their tenders.
4. Failure to comply with any of these instructions or to submit any documentation required in the tender document may result in the tender not being considered.
